

Get a head start >>

>>on your future

If you're a graduate* and have a disability, learning difference or health condition, Remploy can help. We have some exciting, paid work placements and employment opportunities to help you to get your career off to a flying start.

Our support is completely **FREE** and tailored for recent graduates so that you can maximise your skills.

We can support you with:

- Programmes to improve your employability
- Finding and applying for placements and employment
- Developing your CV
- Disclosing your disability or health condition with confidence
- Practising for interviews and assessment centres

For further information on our support contact us today on

Tel: 0845 601 5878
