

Job Search

A goal-focused service designed to maximise the likelihood of finding and sustaining employment for individual's who are motivated and ready to start work. An individual can access this service following an Initial Vocational Assessment or as otherwise agreed.

The search involves approaching potential employers on a speculative basis, as well as utilising Remploy's extensive database of vacancies.

Service summary and outcomes

- One-to-one support is provided in four modules to assess the suitability of jobs, CV preparation, confidence building advice and submitting applications
- Advice for employers regarding reasonable adjustments
- Development of an agreed action plan with a local vocational rehabilitation consultant, delivered through face-to-face meetings (a minimum of two), telephone and email support
- Individuals are empowered and expected to take ownership of activities and demonstrate their input by carrying out agreed job search activities between meetings and telephone calls
- Implementation of a graduated return to work plan upon securing work, in-work benefits advice and peripheral support as required, in the initial stages of the client's new post

Cost £1000 + VAT
