

## Absence Management Assessment

This service has been designed exclusively to help employers tackle and manage workplace absence.

An early intervention approach is provided, with an initial assessment undertaken within seven days of referral, highlighting possible resolutions and next steps.

### Service summary and outcomes

- An impartial, independent and completely confidential service to address an individual's barriers and issues in returning to work
- A flexible package that offers an efficient route to case closure with outcome-focused and cost-effective solutions
- Nationwide service delivery through locally based vocational rehabilitation consultants, who are all professional members of the Vocational Rehabilitation Association
- The expertise to manage a wide range of complex physical and psychological factors affecting workplace absence
- Specialist guidance and support for workplace adjustments for employees
- Services available on a case-by-case basis or as a bespoke fully integrated business solution
- Complimentary to occupational health services and other company welfare schemes
- Provision of recommendations with an action plan

Cost £995 + VAT
