

Vocational rehabilitation

Vocational Case Management

A one-to-one guidance and support service for individuals with a disability or health condition, to obtain or retain employment. Charged by the hour, this service is tailored to meet the specific needs of the client, insurer, solicitor or employer.

Service summary and expected outcomes

- Support is provided through face-to-face meetings, telephone or email consultation
- Regular reporting and updates, including the availability of any publicly funded support
- Facilitated training, social intervention and arranging referrals to appropriate services that fall outside of Remploy's services
- Development of an action plan approved by the client
- Facilitating employer and stakeholder support
- Monitoring the client/employer/stakeholder

Cost: £75 per hour
