Operated by MAXIMUS®

Work and Health
Programme

Supporting people back into **work**

The new **Work and Health Programme Job Entry: Targeted Support** service helps people in Wales, who have been out of work for 13 weeks or more, find sustainable employment.

Delivered by **Remploy** and underpinned by an extensive Community Partnership Network, our six-month jobseekers' programme:

Improves employability

With access to online tools and upskilling content

Increases confidence

With careers, CV and interview guidance

Helps to find paid work

With access to vacancies in a variety of sectors

An innovative new service

We focus on supporting individuals who've worked in industries heavily impacted by the pandemic, and upskill and empower them to seek sustainable employment in growing sectors.

Light-touch, remote support underpinned by digital technology ensures we're able to deliver a flexible service to all participants.

Our team of dedicated Account Managers develop and nurture relationships with local employers, so that we can match suitable candidates to local vacancies.
